

2014

January

Cooking marmalade is one of the things we're doing at this time of the year.

February

As usual we had at least some snow around here.

March

Our fourth grandchild Filip was baptized in the Church of Sankt Petri, Malmö.

April

We had a wonderful week in Florence and Venice.

May

A small terrace was built where the old garden house used to be.

June

The new garden house is big enough for both friends and vegetables.

July

Summertime is hiking time.

August

Gunhild Carling, Wille Crafoord and many others entertained us.

September

A lot of memorable things happened during our US-trip, including the wedding of Kent and Mary Bergman.

October

What has passed the belly of a horse should be given to the soil.

November

Ingemo's 93 year old father Harry oversaw his children's seasonal work around their house in Blekinge.

December

Lussehattor (saffron-spiced buns) and *pepparkakor* (gingerbread biscuits) – Christmas is coming!

Blue moon of Rydebäck

In July 1954 Elvis Presley's version of Bill Monroe's *Blue moon of Kentucky* was recorded in Sam Phillips' little studio in Memphis, Tennessee. Coupled with *That's all right* it became the first record ever issued by Elvis .

Sixty years later I took the photo (and added a bit of blue) that is on the front page of this picture report. The full moon was shining over our home in Rydebäck, Sweden, and six hours later maybe over Kentucky as well.

Regarding moon-related anniversaries: Neil Armstrong took man's first step up there 45 years ago.

We finally wish you a wonderful 2014
